Mr. Latraglia and Mr. Coogan:

It is idiotic for you 2 to continue to hound Mr. Brown and the mayor. You 2 have never made one suggestion on how to cut the budget...not once. I have made 3 recommendations which were implemented by Mr. Brown, and I'm not even on the council.

Where did you want to cut the budget, starting w/ the dog catchers pay or the night watchman; that would have put a big dent in our budget reduction.

I suggest both of you resign your positions because people like you who are in bed w/ the unions are not needed in this town. We have to restructure everything to survive in the future. The homeowners have no more money you idiots. Where are your brains located at anyway.

It's simply amazing to watch you 2 act like you know something, but you don't know anything about financial mgmt. You, Mr. Coogan, of all people (who ran on limited taxes) have done nothing. And you Mr. Latraglia who refuses to raise taxes, but never makes any recommendations to cut costs...and God forbid we cut anything from your police dept. friends.

We only have 3 outstanding people in town; The mayor, Mr. Carceiri and Mr. Cusak. These people have the intelligence and foresight to help our town; that's more than I can say for you 2 wannabees.

Go back to magmt school, if you ever attended one.
